Professional Summary

Computer Science student with experience in backend and frontend development, Python automation, and systems integration. Open to opportunities where I can contribute to projects and grow as a software engineer.

Education

Centro Universitário de Rio Preto

São José do Rio Preto, SP

Bachelor's Degree in Computer Science

Jan 2023 – Present

- Data Structures, Database Systems, and Object-Oriented Programming (OOP), with a focus on problem-solving, data modeling, and software design principles.

Senac

Catanduva, SP

Advanced Python Course

Apr 25 – Aug 25

- Focused on API development using Django. Developed a web application for a restaurant, implementing backend logic, routes, and database integration.

Experience

ATweb

Catanduva, SP

Junior Full Stack Developer (.NET)

- Worked on the development and maintenance of applications using C# .NET on the backend and Razor (cshtml) and JavaScript on the frontend.
- Performed integrations with APIs and external systems, ensuring communication and data consistency across platforms.
- Optimized service performance, achieving an improvement of over 20% in processing time.

Integrativa

Catanduva, SP

Integration/Development Intern

- Worked on the development of the Interlitis software, using C# .NET on the backend and Angular on the frontend.
- Developed a Python automation script to collect specific values and rates, updating an XML file monthly and automatically sending it to an FTP server.
- Collaborated with the Integration and Development teams on task execution, bug fixing, and code improvements.

Indústrias Colombo

Pindorama, SP

HR Intern

- Structured spreadsheets containing employee data and company performance indicators.
- Supported the planning and organization of training sessions for approximately 1,300 employees.

Prefeitura de Catanduva (JUCESP – Poupatempo)

Catanduva, SP

Intern

- Assisted accountants with company registration processes and document-related questions.
- Provided in-person customer service and basic guidance regarding procedures.
- Reviewed documents to ensure mandatory information was completed correctly.

Skills
